NOTE: The Office of Energy and Planning is interested only in permits that change the number of residential dwelling units in your community. Permits for alterations (room additions, decks/porches, sheds, etc.) or non-residential garages should not be tabulated on this form. If your community does not have a permit system in place, please use the best comparable information available (i.e., certificate of occupancy).

*NOTE: The Office of Energy and Planning is interested only in permits that change the number of residential dwelling units in your community. Permits for alterations (room additions, decks/porches, sheds, etc.) or non-residential garages should not be tabulated on this form. If your community does not have a permit system in place, please use the best comparable information available (i.e., certificate of occupancy).*
